Every Tuesday from 10:00 – 12:00 at the Café in Morrisons, Peterhead.

If you are a grandparent, aunt, uncle, other relative or a family friend who cares for a child because the parent(s) are unable to do so or have passed away, then you are a kinship carer. Kinship Care support groups are a fantastic resource that we recommend to everyone. They cater for all needs and help those who may feel lost, lonely and overwhelmed to realise they are not the only ones going through this situation. They build friendships, share experiences and help others access support or services they did not know about and for some they build a passion to lobby and campaign for better support. No matter what the need a support group can play a major role in supporting kinship care families.
